CommuniCare
HEALTH CENTERS

a californiahealth+ center

This service is supported by a federal grant under the State Opioid Response program, with funding provided by the California Department of Health Care Services.

DRUG EDUCATION

CommuniCare Health Centers hosts 2 monthly drug education groups at local high schools for students and at our Woodland locations for parents.

SERVICES OFFERED

MEDICATION ASSISTED TREATMENT (MAT)

Evidence-based MAT medication treatment for youth (15-24) with established Opioid Use Disorder (OUD), medical exams, labs and follow-up care.

SUBSTANCE USE TREATMENT SERVICES

Access to behavioral health assessment, individual counseling and regular follow-up appointments. A young adults (ages 18-24) substance use group is also available.
